Regardless of which ski trips you are attending, you only need to fill out this paperwork once. If you have any questions about any of the details that follow, please let us know.

The contents of this packet are as follows:

- Registration page: Please indicate which trips you are going on.
- Instructions on how to pay for Blue Mountain: Make sure to submit payment according to these instructions if you wish to go on the Blue Mountain trips.
- MTSKI Liability Acknowledgments, Waivers and Releases: A student's participation is dependent on the agreement of both the student and parent to the liability statement. Please read and review.
- Behavioral Expectations and Consequences: This document outlines rules and expectations for behavior on trips, as well as possible consequences for misbehavior. Students and parents/guardians must agree with these guidelines for students to be allowed to go on trips. Please read and review.
- Statements form: By signing you indicate that you have read and agree with the liabilities and the guidelines for ski trips.
- Medical Information Form: This information is vital to the safety of the students participating on the trips. If a student is injured on a trip, this form will be provided to the medical professionals. Please print clearly and complete all the information.
- Prescription Form (overnight trips only): Each student going on an overnight trip must complete this form to indicate whether they take prescription medicine or not. *If a student takes prescription medicines, a separate form must be submitted for each prescription, with a doctor's signature on each document.* The form must be completed and submitted for advisors to administer medication during overnight trips.

For the Blue Mountain trips, submit payment through the Blue Mountain website, and this registration packet to Manheim Township Recreation and Park Planning (address below).

- 1. Rules / Guidelines:** I/we understand that there are rules for participation in Manheim Township Ski Club trips and that there are possible disciplinary consequences for the violation of such rules. I/we understand that the list of consequences below is not exhaustive. Furthermore, in the event that the advisors and chaperones determine that my/our child's continued attendance on the trip would not be prudent after he or she does not adhere to a rule listed, I/we agree to transport my/our child home at my/our own expense. I/we also acknowledge that disciplinary action on one trip may forfeit my/our child's participation in future trips.
- 2. Injury:** I/we understand and acknowledge that skiing, snowblading and snowboarding (*referred to as "Alpine Sports"*) are activities that involve inherent dangers. These dangers include, but are not limited to, collision with stationary and moving objects and people, falling, changing terrain or weather conditions, and equipment failure. I/we allow my/our child to participate in Alpine Sports with the Manheim Township Parks & Rec. Ski Club (*referred to as "Manheim Township Ski Club"*) with the full knowledge that these inherent dangers may result in injury to my/our child, and in extreme cases even death. I/we understand that the use of a helmet is *highly* recommended for all alpine activities.
- 3. Transportation:** I/we understand that my/our child will be traveling with the Manheim Township Ski Club on chartered busses and private vehicles during Manheim Township Ski Club trips. I/we give permission for my/our child to travel in any of the previously mentioned vehicles for this purpose. Intending to be legally bound, I/we agree that the Manheim Township Ski Club, or any organization contracted to provide transportation for the Manheim Township Ski Club, or the drivers or owners of any vehicle in which my/our child is transported during the course of any ski trip are released and forever discharged of and from any liability, damages, causes of action and claims for injury which may occur while my/our child occupies any such vehicle, even if such injury occurs, in whole or in part, as a result of the negligence of the Manheim Township Ski Club, or its employees and volunteers.
- 4. Ski Instruction / Lessons:** I/we understand that the advisors and chaperones of the Manheim Township Ski Club highly recommend that my/our child take Alpine Sports lesson from a qualified instructor before the start of the ski season to be prepared for the ski trips with the Manheim township Ski Club. I/we agree that if my/our child does not participate in a lesson, it is my/our voluntary and knowing decision not to do so.
- 5. Equipment:** I/we understand that my/our child is responsible for his/her own equipment and belongings. This includes times when equipment and belongings are stored at the school prior to a trip, stored on a bus during a trip, stored at a hotel or other facility. Lost or stolen property is the responsibility of my/our child, and consequently my/our responsibility.
- 6. Parent meetings:** I/we understand that there will be a meeting for parents/guardians on January 15 in preparation for the Vermont trip. During this meeting details about the Vermont trip, as well as expectations for the trip, will be communicated. A meeting concerning the Blue Mountain trips will be held on 12/11 at 3:30 PM at the high school.
